### Stage Notes:

- No drum riser (if convenient)
- We prefer to setup as close as possible on large stages
- Drummer has a Sennheiser bass mic suspended inside kick drum with XLR output on the shell
- Rick and Becky prefer to use their own microphones
- If only two monitors available across front, Rick and Becky can share one

### Lighting Notes:

- We prefer an old-school theater style light show
- No strobe or blackouts please
- Please, no fog or haze during our show
